SETTLEMENT AGREEMENT

This Settlement Agreement is entered into in the Karasik Action and Chami Action by and among the named Plaintiffs, Natalia Karasik, Rahul Suryawanshi, and Ellie Chami (the "**Named Plaintiffs**" and "**Plaintiffs**") and the Defendants, Yahoo! Inc. and Yahoo! Canada Co., Altaba Inc. (formerly known as Yahoo! Inc.), Verizon Communications Inc., Verizon Media, Oath Holdings Inc. and Oath (Canada) Corp., by and through their respective counsel.

BACKGROUND

Whereas:

- A. In September 2016 to December 2016, and October 2017, it was announced that the Defendants had been the target of criminal cyberattacks on their computer systems in which the attackers gained unauthorized access to the personal information of Yahoo users and various other individuals (the "**Data Breaches**").
- B. As a result of the Data Breaches, multiple putative class action lawsuits were filed against the Defendants in courts across the country, alleging that the Defendants failed to properly protect personal information in accordance with their duties, had inadequate data security, and delayed notifying potentially impacted individuals of the breaches.
- C. On or about September 26, 2016, an action under the style of cause *Gill v. Yahoo! Canada and Yahoo! Inc.* was filed in Supreme Court of British Columbia at Vancouver with court file number S-168873 (the "**Gill Action**").
- D. On or about December 16, 2016, an action under the style of cause *Natalia Karasik v. Yahoo! Inc. and Yahoo! Canada Co.* was filed in Ontario Superior Court of Justice at Toronto with court file number CV-16-566248-00CP (the "**Karasik Action**").
- E. On or about December 23, 2016, an action under the style of cause *Sidhu et al. v. Yahoo! Canada, Altaba* was filed in Alberta Court of Queen's Bench at Edmonton with court file number 1603-22837 (the "**Sidhu Action**").
- F. On or about January 26, 2017, an action originally under the style of cause *Michel Demers v. Yahoo! Inc. and Yahoo! Canada Co.*, later amended to *Brigitte Bourbonniere v. Yahoo! Inc. and Yahoo! Canada Co.*, was filed in Quebec Superior Court at Montreal with court file numbers 500-06-000841-177 and 500-06-000842-175 respectively (the "**Bourbonniere Action**").
- G. On or about May 16, 2017, an action under the style of cause *Emily Larocque v. Yahoo! Inc. and Yahoo! Canada Co.* was filed in Saskatchewan Court of Queen's Bench at Regina with court file number QBG 1242 of 2017 (the "**Larocque Action**").
- H. On or about February 20, 2019, an action under the style of cause *Chami v. Alibaba*

Inc., et al. was filed in Ontario Superior Court of Justice at Toronto with court file number CV-19-00614734-00CP (the “**Chami Action**”).

- I. On June 9, 2019 the court in the Bourbonniere Action dismissed the plaintiff's motion for authorization.
- J. In the Karasik Action, the Plaintiffs filed a motion to certify the Karasik Action as a class action, the Defendants filed materials opposing that motion and both counsel for the Plaintiffs and Defendants conducted cross-examinations on the supporting affidavits and expert reports tendered in support of their respective positions on the certification motion.
- K. Counsel for the Plaintiffs and Defendants in the Karasik Action conducted extensive arm's-length negotiations, including two day-long mediations, in which Mr. Jed Melnick, who mediated settlement of the parallel action in the United States, and subsequently the Honourable Frank Newbould, Q.C., participated as mediators, regarding the substance and procedure of a possible national class settlement prior to entering into this Settlement Agreement.
- L. On or about January 14, 2020, the Settling Parties agreed to settlement terms.
- M. The Plaintiffs, as well as Class Counsel, believe the Released Claims have merit. The Plaintiffs and Class Counsel, however, recognize and acknowledge the expense and length of continued proceedings that would be necessary to prosecute the Released Claims against the Defendants through trial and appeals, and the importance of providing timely relief to Class Members. The Plaintiffs and Class Counsel also have taken into account the uncertain outcome and risk of any litigation, especially in complex actions such as this litigation, as well as the difficulties and delays inherent in such litigation. The Plaintiffs and Class Counsel are mindful of the inherent problems of proof under, and possible defenses to, the Released Claims. The Plaintiffs and Class Counsel believe that the proposed Settlement confers substantial benefits upon the Class. Based on their evaluation of all of these factors, the Plaintiffs and Class Counsel have determined that the Settlement is in the best interests of the Class.
- N. The Defendants deny any liability to the Plaintiffs and the Class. The Defendants

believe they have meritorious defenses to all of the claims raised in this Litigation. Nevertheless, the Defendants recognize and acknowledge the expense and length of continued proceedings that would be necessary to defend the Litigation through trial and appeals. In agreeing to enter into this Settlement, the Defendants also have taken into account the uncertain outcome and risk of any litigation, especially in complex actions such as this Litigation, as well as the difficulties and delays inherent in such litigation.

- O. It is in intention of parties to resolve the disputes and claims which they have between them as set forth below.

- 2.10 All Taxes and Tax-Related Expenses relating to interest earned on the Settlement Fund shall be paid out of the Settlement Fund and without prior order of the Court shall be paid, for the period the Settlement Fund is held in the Trust Account, by the Defendants and, for the period the Settlement Fund is held in the Escrow Account, the Claims Administrator. Further, the Settlement Fund shall indemnify and hold harmless the Parties and their counsel for Taxes and Tax-Related Expenses (including, without limitation, taxes payable by reason of any such indemnification payments).

- 2.12 Each Settlement Class Representative and Settlement Class Member shall be solely responsible for the tax consequences to him, her, or it of the receipt of funds from the Settlement Fund pursuant to this Agreement.
- 2.13 Defendants and their counsel shall not have any responsibility for or liability whatsoever with respect to: (i) any act, omission, or determination of Class Counsel, the Claims Administrator, or any of their respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the management, investment, or distribution of the Settlement Fund; (iii) the formulation, design, or terms of the disbursement of the Settlement Fund; (iv) the determination, administration, calculation, or payment of any claims asserted against the Settlement Fund; (v) any losses suffered by, or fluctuations in the value of the Settlement Fund; or (vi) the payment or withholding of any Taxes and Tax-Related Expenses incurred in connection with the taxation of the Settlement Fund or the filing of any returns. Defendants also shall have no

obligation to communicate with Settlement Class Members and others regarding amounts paid under the Settlement.

2.15 The Defendants will provide an accounting indicating any interest earned and Tax and Tax-Related Expenses paid during the period the Settlement Fund is held in the Trust Account.

III. CATEGORY A CLAIMS – Out-of-Pocket Costs, Paid Users and Small Business Users

3.1 Settlement Members who have Out-of-Pocket Costs may request payment of their Out-of-Pocket Costs by submitting an Out-of-Pocket Costs Claim Form (either in paper form or on the Settlement Website) to the Claims Administrator accompanied by an attestation for the Out-of-Pocket Costs incurred, and documentation of Out-of-Pocket Costs as to which documentation should naturally exist and has been retained or is readily obtainable, as detailed on the Out-of-Pocket Costs Claim Form.

3.2 The Claims Administrator shall verify that each person who submits an Out-of-Pocket Costs Claim Form is a Settlement Class Member and shall have the sole discretion and authority to determine whether and to what extent an Out-of-Pocket Costs Claim Form reflects valid Out-of-Pocket Costs. To the extent the Claims Administrator determines a claim for Out-of-Pocket Costs is deficient, the Claims Administrator shall, within fifteen (15) days of making such a

determination, notify the Settlement Class Member of the deficiencies and give the Settlement Class Member thirty (30) days to cure the deficiencies. The Claims Administrator shall have the sole discretion and authority to determine whether the Settlement Class Member has cured the deficient claim such that it reflects valid Out-of-Pocket Costs.

- 3.3 Out-of-Pocket Costs for preventative measures, such as obtaining credit monitoring services, insurance or credit freezes, shall be considered to be due to one or more of the Data Breaches if the Settlement Class Member states that they believe the costs were incurred as a result of one or more of the Data Breaches. Out-of-Pocket Costs for unreimbursed losses related to identity theft, falsified tax returns, or other alleged wrongdoing (collectively "Misconduct"), or for attempting to remedy Misconduct, shall be considered to be due to one or more of the Data Breaches if: (i) the Misconduct occurred within four months of Notice of one or more of the Data Breaches; (ii) the Settlement Class Member states that he, she, or it believes the Misconduct is connected to one or more of the Data Breaches; and (iii) the Misconduct involved possible misuse of the type of personal information accessed in one or more of the Data Breaches (*i.e.*, names, email addresses, telephone numbers, birth dates, passwords, and security questions of Yahoo account holders, or from contents of the Class Member's email account, such as financial communications and records containing credit cards, retail accounts, banking, account passwords, tax documents, and social insurance numbers from transactions conducted by email).
- 3.4 All Paid Users shall be eligible to receive an amount of up to 25% of the cost of services paid for between August 1, 2013 and December 31, 2016, upon submission of a valid Paid User Claim (as determined by the Claims Administrator).
- 3.5 The Claims Administrator shall verify that each person who submits a Paid User Claim Form is a Settlement Class Member and a Paid User and shall have the sole discretion and authority to determine whether and to what extent a Paid User Claim Form reflects valid Paid User services. To the extent the Claims Administrator determines a claim for Paid User services is deficient, the Claims

Administrator shall, within fifteen (15) days of making such a determination, notify the Settlement Class Member of the deficiencies and give the Settlement Class Member thirty (30) days to cure the deficiencies. The Claims Administrator shall have the sole discretion and authority to determine whether the Settlement Class Member has cured the deficient claim such that it reflects valid Paid User services.

- 3.6 All Small Business Users shall be eligible to receive an amount of up to 25% of the cost of services paid for between August 1, 2013 and December 31, 2016 upon submission of a valid Small Business User Claim Form (as determined by the Claims Administrator).
- 3.7 The Claims Administrator shall verify that each person who submits a Small Business User Claim Form is a Settlement Class Member and a Small Business User and shall have the sole discretion and authority to determine whether and to what extent a Small Business User Claim Form reflects valid Small Business User services. To the extent the Claims Administrator determines a claim for Small Business User services is deficient, the Claims Administrator shall, within fifteen (15) days of making such a determination, notify the Settlement Class Member of the deficiencies and give the Settlement Class Member thirty (30) days to cure the deficiencies. The Claims Administrator shall have the sole discretion and authority to determine whether the Settlement Class Member has cured the deficient claim such that it reflects valid Small Business User services.
- 3.8 Each Settlement Class Member who submits a Claim Form for valid Out-of-Pocket Costs, Paid User services and Small Business services (as determined by the Claims Administrator) shall receive a payment equal to the lesser of: (i) the amount of the Settlement Class Member's valid Out-of-Pocket Costs and recoverable Paid User services and Small Business services; or (ii) \$25,000.00; provided, however, that the payment may be reduced as provided in section 6.1.

IV. CATEGORY B CLAIMS – Alternative Compensation

- 4.1 Settlement Members who do not request payment of their Out-of-Pocket Costs, and recoverable Paid User services and Small Business services may request

compensation for wasted time and inconvenience responding to one or more of the Data Breaches by submitting an Alternative Compensation Claim Form (either in paper form or on the Settlement Website) to the Claims Administrator accompanied by an attestation in respect of the time spent responding to one or more of the Data Breaches as detailed on the Alternative Compensation Claim Form.

- 4.2 The Claims Administrator shall verify that each person who submits an Alternative Compensation Claim Form is a Settlement Class Member and shall have the sole discretion and authority to determine whether and to what extent an Alternative Compensation Claim Form reflects wasted time and expense responding to one or more of the Data Breaches. To the extent the Claims Administrator determines a claim for Alternative Compensation is deficient, within fifteen (15) days of making such a determination, the Claims Administrator shall notify the Settlement Class Member of the deficiencies and give the Settlement Class Member thirty (30) days to cure the deficiencies. The Claims Administrator shall have the sole discretion and authority to determine whether the Settlement Class Member has cured the deficient claim such that it reflects valid losses actually incurred.
- 4.3 Alternative Compensation Claims shall be eligible to receive CAD\$25 per hour for each hour spent responding to the Data Breaches, not to exceed CAD\$125 for each Data Breach where the Class Member received Notices of the Data Breach upon submission of a valid Alternative Compensation Claim Form (as determined by the Claims Administrator); provided, however, that the payment may be reduced as provided in section 6.2.

V. CATEGORY C CLAIMS – Credit Services

- 5.1 Settlement Members who submit an Alternative Compensation Claim Form and who qualify for Alternative Compensation may elect to waive that compensation in favour of Credit Services, should there be a sufficient residue in the balance of the Net Settlement Fund to fund Credit Services. Credit Services for a term of up to two years have an estimated retail value of CAD\$478.80 per Class Member.

- 5.2 Settlement Members who make this election must request Credit Services by indicating this election on, and submitting, an Alternative Compensation Claim Form (either in paper form or on the Settlement Website) to the Claims Administrator as detailed on the Alternative Compensation Claim Form.
- 5.3 The Claims Administrator shall verify that each person who submits a Alternative Compensation Claim Form electing Credit Services: (i) is a Settlement Class Member; and (ii) otherwise qualifies for Alternative Compensation. Ambiguities or deficiencies on the face of the Alternative Compensation Claim Form shall be resolved by the Claims Administrator. To the extent there is any ambiguity with respect to a Settlement Class Member's election for Credit Services, and the Claims Administrator cannot resolve the ambiguity, the ambiguous Claim Form shall default to a claim for Alternative Compensation. However, for either ambiguities or deficiencies, the Claims Administrator shall first ask the Settlement Class Member to cure the ambiguity or deficiency, and in doing so, may use its discretion to determine the most efficient and effective means of communicating with the Settlement Class Member, whether by email, telephone, or mail. Disputes with respect to any Claim Form shall be resolved by the Claims Administrator.

VI. RESIDUE OF NET SETTLEMENT FUND

- 6.1 In the event that the total of the Category A Claims exceeds CAD\$4 million, any excess funds after Category B Claims have been paid will go to fund Category A Claims. If there remains a shortfall in funds in respect of Category A Claims, then the available funds will be distributed to Category A Claims *on a pro rata basis*. In the event that the total of the Category A Claims is less than CAD\$4 million, the available funds will be distributed to top up any shortfall in funds in respect of Category B Claims, or, if there is no shortfall in Category B Claims, to fund Credit Services, if those services are available.
- 6.2 In the event the total of Category B Claims, excluding those who elect Credit Services (i.e. Category C Claims):
- (a) exceeds the portion of the Net Settlement Fund allocated to Category B Claims, then Category C Claims will be treated as Category B Claims

and the available funds will be distributed to Category B Claims *on a pro rata basis*.

(b) is less than the portion of the Net Settlement Fund allocated to Category B Claims, any excess funds, and any excess as contemplated in section 6.1 in respect of the Category A Claims, will pay for Credit Services. In the event these excess funds are sufficient to purchase Credit Services then Class Counsel will make reasonable efforts to purchase the best product available with the funds available, with a goal of two years of Credit Services. If the surplus is insufficient to purchase Credit Services for Settlement Members who elect Credit Services, all Category C Claims will be treated as Category B Claims and paid accordingly and Credit Services will not be purchased.

6.3 In the event there is a residue which exceeds the total of all Claims as assessed, the residue shall be allocated equally to all Settlement Class Members whose Claims were at least partially approved excluding Claims submitted solely in respect of Paid User services and Business User services.

6.4 The Net Settlement Fund described in section 2.4 of this Settlement Agreement shall be the sole source of monetary funds for the relief set forth in sections 3, 4, 5 and 6 of this Settlement Agreement.

VII. CLASS NOTICE, OPT-OUTS, AND OBJECTIONS

7.1 Notice shall be disseminated pursuant to the Certification Order for Settlement Purposes.

7.2 The Claims Administrator is responsible for distributing and disseminating the Notice in accordance with the Notice Plan, which plan will generally comprise: direct email notice to Settlement Class Members (the "**Direct Email Notice**"); and publication of advertisements with a maximum size of ¼ page in an English-language paper (with national circulation which may or may not include Quebec) and a French-language newspaper (with Quebec circulation) to be selected by Class Counsel.

7.3 Subject to compliance with the privacy laws of Canada, the United States and

any other relevant jurisdiction, the Defendants shall provide the Claims Administrator with the names and last known email addresses of Settlement Class Members, as they can best estimate based on their records, no later than five (5) Business Days after the date on which the Court enters the Certification Order for Settlement Purposes. To the extent that Yahoo has reasonably available names or other identifying information about Settlement Class Members, but not email addresses, those names and other identifying information shall also be provided to the Claims Administrator for use in verifying the identity of Settlement Class Members to whom emailed notice is not sent, but who respond to either publication notice and/or the Settlement Website. For clarity, Defendants shall not, however, be required to issue Notice by physical, as opposed to electronic, mail.

- 7.4 Class Counsel shall provide the Claims Administrator with the Class Counsel registration data including names and last known email addresses of Settlement Class representatives and any other putative Class Member who has reported updated identifying information to Class Counsel, no later than five (5) Business Days after the date on which the Court enters the Certification Order for Settlement Purposes.

- 7.6 The Notice shall explain the procedure for Settlement Class Members to opt-out and exclude themselves from the Settlement Class by notifying the Claims Administrator in writing, postmarked no later than the Opt-Out Deadline.
- 7.7 The opt-out form shall include a section:
 - (a) requiring class members to confirm and acknowledge they will be excluded from receiving any compensation from the Settlement and by opting out do not wish to participate as a Settlement Class Member; and

- (b) requiring an explanation for opting out.
- 7.8 Each written request for exclusion must set forth the name of the individual seeking exclusion and can only request exclusion for that one individual.
- 7.9 Individual Settlement Class Members must sign the opt-out form with the signature of a witness, and provide contact information, including address, telephone number, and email. Corporate Settlement Class Members must include the name of the corporation and the name and position of the authorized signing officer and must sign the opt-out form with the signature of a witness, and provide contact information including address, telephone number, and email.
- 7.10 If the reason provided for opting-out suggests to the Claims Administrator that a Settlement Class Member does not understand the opt-out process or the effect of participating in the Settlement (for example the Settlement Class Member states she is opting out because the class member erroneously believes there is a financial cost to participating in the settlement) then the Claims Administrator shall contact the Settlement Class Member and determine whether the member intended to validly opt-out.
- 7.11 The Notice shall explain the procedure for Settlement Class Members to object to the Settlement. Written objections are to be provided no later than ninety (90) days after the Notice Date and filed with the Court five (5) days before the Approval Hearing. The written objection must include the objector's name, a statement indicating the basis for the objector's belief that he, she, or it is a Member of the Settlement Class (to the extent the objector did not receive Notice), and the basis for objecting.
